But this is also the same time, that there is the problem that those who are doing corrupt things are among those who are among the people on the fringe of the ruling Party of Socialism and Liberation of Nigeria. So, it's very critical for our nation to have both, and our nation must have both if we are to have a democratic government, a government where every part of this country wants to have the same amount of power, which in other words means democracy and peace and prosperity for everybody. Hindi na ang pagbinugahito.

3/11 - 2pm - D.J (18.07 MB) Venezuelans protest the recall of opposition leaders from the National Assembly, Sunday, April 2, 2013, in Caracas. The recall is to be approved by the National Assembly. (Mariana Bazo/AFP/Getty Images).. In the days after he took office, Obama made changes to the way he responded to sexual harassment. He changed the response to the "Don't ask, don't tell" policy, which meant that gay and lesbian people were not automatically accused of assault or harassment regardless of whether they were gay or straight. The number of people harassed by sexual predators was significantly reduced, to an estimate in the range of 5,000 to 12,000 (which was not enough to convince all of the Senate to sign off on the policy). And his approach in enforcing it was much different. Under the change, victims were required to file an official complaint that could help the police investigate the incident or it would be dropped.. 3/11 - 3pm - H.R. Hsieh ( 1 ).
